

SF Bay CRN
eNews
Spring 2022

Dear Friends,

Spring arrives with a new hope of normalcy and a new beginning. As our communities begin to open we hope that you and your loved ones remain safe.

The San Francisco Bay Collaborative Research Network (SFBayCRN) is UCSF's primary health care practice-based research network, supported by the UCSF Clinical and Translational Science Institute.

We offer free initial consultations on practice-based research issues for our members.

To learn more about SFBayCRN, please visit:

Mike Potter, MD SFBayCRN
Director

Saji Mansur, MPH
SFBayCRN Coordinator

SF Bay Collaborative Research Network

A UCSF-supported partnership of community clinicians, practices, and researchers
SFBayCRN Webinar on Tuesday April 26th 12-1pm:

Lekshmi Santhosh, M.D., M.A.Ed. – OPTIMAL Clinic at UCSF Health Post-COVID OPTIMAL Clinic: Lessons Learned and Future Directions

You won't want to miss this! **Dr. Santhosh** will share her experiences treating long COVID survivors while researching community-based impacts. This exciting and informative webinar will feature **Dr. Carlos Guerra-Sanchez** of the **Family HealthCare Network**, a large federally qualified health center based in Fresno, and our own **Dr. Mike Potter** as moderators.
