

SF Bay CRN eNews  
Winter 2023

Dear Friends and  
Colleagues,

The San Francisco Bay Collaborative Research Network (SFBayCRN) is UCSF's primary health care practice-based research network, supported by the UCSF Clinical and Translational Science Institute.

We offer free initial consultations on practice-based research issues for our members.

To learn more about SFBayCRN, please visit:  
<https://consult.ucsf.edu/sfbaycrn>

Michael Potter, MD  
SFBayCRN Director

Saji Mansur, MPH  
SFBayCRN Coordinator

## SF Bay Collaborative Research Network

*A UCSF-supported partnership of community clinicians, practices, and researchers*

### **Share Your Views about the Impact of COVID-19 on Primary Care**

Many of you participated in surveys we have sent you about the impact of COVID-19 on primary care. Your data have appeared in 200+ trade and mainstream media stories, 14 policy briefs delivered to Congress, 2 White House briefings, 30+ presentations to policy makers, and several peer-reviewed publications. SFBayCRN sponsored a webinar about what has been learned with your input, which is still available for viewing on our SFBayCRN website. Now, on the 3<sup>rd</sup> anniversary of the pandemic, Dr. Rebecca Etz and colleagues are asking those of you who work in primary care to complete the following survey, which will remain open until March 19. Please respond to the survey by using the following [link](#).

### **Video of our Annual Meeting Now Available!**

We were thrilled to see so many of you at our Annual Meeting on January 27<sup>th</sup>. The theme of the meeting was “**Reimagining Community Research Partnerships in a World Transformed by COVID-19**”. The morning featured presentations about innovative academic-community partnerships that have made a difference in the last three years, and the afternoon featured conversations about what comes next. For those who missed the meeting or who would like to view some of the posters that were presented during the noon hour, please visit our website: <https://consult.ucsf.edu/sfbaycrn>.

### **Register for the Multiethnic Health Research Center (MERC) Health Equity Symposium on April 14<sup>th</sup> from 12-1:30pm**

This year's symposium will feature a keynote presentation by Dr. Kirsten Bibbins-Domingo, Editor-in-Chief of the Journal of the American Medical Association (JAMA). For those who would like to attend, please [register here](#).

### **SFBayCRN Steering Committee seeks additional community-based health system representation**

To improve our programs and plan for the future, the SFBayCRN steering committee seeks greater representation from leaders of community-based health systems interested in practice-based research. For more information about the steering committee or how to become more involved in the network, please email Dr. Potter: [michael.potter@ucsf.edu](mailto:michael.potter@ucsf.edu)
